

Dear Friends,

The Lomond Gathering Committee wishes to offer special thanks to all those who join us each year to make the Gathering such a success. If you have not experienced our hospitality yet we invite you to take the high road to the shores of Loch Lomond or the low road to the banks of the Clyde; come, share and celebrate our sobriety with us.

We meet in Helensburgh, a town steeped in history, the birthplace of John Logie Baird and Alexander Graham Bell. Amongst other places, Rennie Mackintosh's Hillhouse can be visited here. In a ten mile radius you can visit Dumbarton Castle which offers breathtaking views of the whole district. From Balloch you can take a cruise up Loch Lomond, or if you wish, a trip "Doon the Watter" to Dunoon in the River Clyde estuary. There is something for everyone, we are sure you won't be disappointed.

There are many restaurants in the places that have been mentioned. If you wish to go to Church there are churches for all denominations in surrounding districts.

Last, but not least, there are local meetings which you can attend and there will be marathon meetings held during the Gathering. We hope that if you are planning to go to one convention this year you will put us in your diary.

See you in June!
